

Ruben Lellouche

Full-Stack Developer

📍 Jerusalem ✉️ rubenlellouche26@gmail.com ☎️ 058-709-14-95

Profile

Computer enthusiast for several years and self-taught. I have the ability to adapt and quickly understand the needs of the client. I know how to meet the expectations of a manager, and meet specific deadlines.

I have expertise in the server side through the PHP language in particular.

I am looking for a new experience in order to bring my seriousness and improve myself in the area within the company.
